Company Profile

Company Profile

Autolux 2011 have succeeded in building a company that is young, fresh and full of vision. We are positioning ourselves as one of the 'leader of the pack' in the industry, impressing both customers and drivers with its state fast operating service technology and passionate leadership. Their vision is to be a taxi company for the public that is forever changing, offering luxury and average standard conform cars, systems and cutting edge technology for its clients.

In addition to this, our goal is to be associated with every major Georgia event where transport is required. To date, we have achieved this by being the official transport provider for the high class HORECA and International organization for the last 8 years in a row. In addition to these major Tbilisi, Batumi, Kutaisi events, including International hotels. Recently got experience in International movie studios, like Bollywood.
